“ I will never forget Mrs. Billingsley walking like she was gliding out onto the softball field at Vigor High School in those white pants. I thought; how is she gonna coach softball in that. But she did and was a loving and amazing coach! She was always put together💕 She taught us to be respectful and to be respected as ladies. We loved her and knew that she loved us. She also taught my mom. She will be greatly missed. My heart goes out to her family.

“ Classy, elegant, full of poise and grace is the beautiful Mrs. Billingsley that I remember from Vigor. There are NOT many teachers left like her in this profession. She taught us proper etiquette and grace that I have instilled in my daughter. You and your family and in my thoughts and prayers. Proverbs 3:6 Tara DuBose
