Love the video of her life. So many memories with all of you and memories you can look back on when you start missing her. They really help and it keeps her alive in your heart and isn't it wonderful to know that she's in heaven with God and your dad and other family and friends that have passed on. As I said to you all, we belong to God and no one else we are only here a short while and then Jesus comes to get us and takes us home to heaven. Keeping you all in my prayers. May God be with you and comfort you and give you strength to get you through all of this. God bless. Betty Brimberry
