“ *I'm deeply sorry for your loss. I hope the words found in the bible at Isaiah 25:8 brings comfort. God promises to "swallow up death forever". No more will we have to suffer heartache for God says he will "wipe away the tears from all faces". Such a joyous time it will be; reunited with our dead loved ones!*

“ To Tim, Todd and Missy

Just wanted to tell ya'll that I love you and that I am thankful that we got to share our early childhood together, always being over at your house and that I got to work with your daddy (puddin). Now that I'am older and have a family of my own and to know what kind of man Buddy was to Pat and you kids even when ya'll wasn't around he was always the same he lived and worked for his family each and every day because he loved ya'll and that taught me what love is all about the sacrifice we make for the ones we love and he never complained not even when me and Tim was tearing cars up well maybe a little then. (LOL)

Now to Missy I remember you as that 13 year old little girl that had your daddy wrapped and to see what you have grown up to be and what you did for your dad in the later years of his life is awesome, I would have never thought it, you have been good to your daddy and God will bless you for that because your kids will have that to remember in the days to come (family first) and to your husband for the sacrifice he has made. May God bless all of you and please keep in touch. Love Tirrie Terrell
