“ *My wonderful, loving, perfect grandmother. I am just now able to express how much I miss you. You were the one person I always knew was in my corner, no matter what. I miss you so much. Kimi misses you too. She loves you beyond measure, as I do, and the rest of your grand children. You were/are our glue, that keeps us together. I know you will be there to meet me when my times comes, but hopefully that wont be for a while. Hopefully you will have your shrimp dip and biscuits waiting when I get there. (again, not for many many years! ;) )*

*I love you Granny, and miss you every day.*

*Grand Daughter #1,
