“ *Sarah...just writing your name evokes pleasant memories. I am truly honored and blessed to have had the opportunity to have known you. You had such a warm and welcoming spirit about you which is why I think I gravitated toward you from the very start. I cannot thank you enough for that. I think of you often and imagine that I will continue to do so over the coming years. Even though all I have now are memories, they will forever be my keepsake. God has you in his keeping and I have you in my heart.*

Sarah Davis was a Ground-breaker in a male dominated workforce at Southern Bell! I had the privilege to know her while I worked in Marketing in 1979. What a dynamic woman she was! Attractive, Polished and Poised! She possessed a Great Personality and was an Encourager to young women like me.
