

Savannah Lee Leggett

November 19, 1992 - October 3, 2025

It is with deep sadness that we announce the loss of our beloved Savannah Lee Leggett, who passed away on Friday, October 3, 2025, due to a heart condition at the age of 32. Savannah was known for her kindness, generosity, and fun-loving attitude. Her greatest joys were her daughters, Blakely and Elena, whom she loved dearly. She was a fierce competitor as a varsity athlete at Brookwood High School, where she played point guard on the girls' basketball team. She loved volunteering at Mountain T.O.P. in Tennessee, listening to music, and vacationing whenever possible at the beach.

Savannah was a beautiful, funny, complicated, generous, and fiercely loving young woman who left our lives far too soon. She leaves behind her loving family, which includes her daughters, Blakely Renee Leggett, (age 12) and Elena Rose Taylor (age 15 months); mother, Linde DeBardelaben Leggett; father, Allen Leggett; sister, Adrienne Leggett Rogers; brother, Benjamin "Ward" Leggett; and fiancé, Tyler Taylor.

A celebration of Savannah's life will be held at Cannon United Methodist Church, the church where she grew up and was a long-time member, on Saturday, October 18, 2025, at 1:00 p.m. A reception will follow the service. We welcome all who knew and loved Savannah to attend. Additional details are below.

“ I met this beautiful young woman, when she was in her late 20s. She had an independence and strength that was worthy of a warrior among women. Her personality... it was one of a kind. She is one of those people you meet in life that you'll never forget because of the courage and resilience she possessed.. She never disguised or hid her personality and true character from anyone. I appreciate and loved that about her. She was blessed two daughters that I'm sure she taught both of them that same strength. There was not a time in my life that I saw her that she did not throw her arms around me my neck and tell me that she loved me. That's a testament of a true person, a true friend. Here's to you Savannah and your legacy that you leave here with those of us that love you dearly. I am so proud that you were in my life. I will never forget you. ❤️
