“ I met Shanice through one of my really great friends, Sabrina Bailey many many years ago. I am so grateful to have known such a powerful and kind boss babe such as herself who had such a positive impact on everyone around her. She always lit up a room wherever she went. I always admired her and loved the fact that she was a Libra like me. My last interaction with her was in august 2020 over Instagram, I had purchased sunglasses from her new business “Posh Frames”. I planned on purchasing more because I was so in love with her stuff. She was such a sweetheart and gone too soon. Shanice, you are truly loved by everyone and you will never be forgotten.

“ I had the pleasure to meet Shanice a couple years ago. I can honestly say that her smile would light up the room, she was genuinely a happy person with a beautiful soul. I will never forget the times and laughter we shared together. I guess God needed his angel back ❤️ My condolences to her family and friends 🕊️❤️

“ I will never forget our last class together at Concordia. American Political Theory. April 2015. We celebrated the end of that class with Class of 2015 cupcakes. That was you. Determined. Dedicated. And always did everything with style and grace. You were a dedicated, brilliant, educated, well-spoken, gracious Queen.
