“ Sherry,
I don't know where to begin. My heart is broken. I first met you at daycare. You opened your arms and heart to me. Made me feel like I was one of your own. Anytime I was bullied, you were there loving me and telling me I was great. All these years we still stayed in touch. You were there for me when my brother passed away a few years ago. You always checked in on me to make sure I was doing well. I will miss your messages and warm thoughts you would send me. Sherry I love you and will miss you. Forever you will be in my heart.
