“ I worked with Shirley at Equifax for many years. She always has a smile on her face and an encouraging word to say. I told her when I grow up I wanted to be just like her. She was a beautiful lady and I will miss seeing her at our luncheons. Praying God's peace be with her family during this difficult time.

“ I met Shirley when I went to work at Equifax and we worked in the same area for many, many years. I was blessed to be included in a small circle of friends with Shirley and we enjoyed lots of fun, laughter and sometimes sadness together. She was beautiful both inside and out. Her smile and sweet spirit were blessings to me! May your memories of your Mom, Grandmother, Sister and Aunt bring you joy as time passes.

“ Can't remember but think maybe Edna sent me 3 school pictures of her, Jimmy. And Shirley. As I remember we as a family didn't do much traveling in the early days no money transportation. Just wish we could have visited more over the the years!

“ How to even wrap my mind around her being gone is beyond my capabilities. This woman is who I want to be when I grow up. My heart aches for Edna, Kim and all the family. Shirley gave the best hugs at church Sunday mornings, she was such a delightful person to talk too, she was always stepping in and volunteering. But I will remember how she always had her lipstick on. Miss you sweet friend.
