“ Truly sorry to hear about the passing of SteveO! He was a great dude and awesome to be around. I spent many years working with Steve at Home Depot. We will forever cherish the great memories at Home Depot with SteveO or BigO, as some of us use to call him. We had a great team with SteveO, Eric Brown, Darnell Bell, Tammy Ray, James Brown and many more great co-workers. Steve taught me a lot about management and dealing with people. He was always smart and crafty. He made a beautiful set of tables for me over 20 years ago. I still get compliments about those tables today! ...Sorry we didn't get a chance to talk the last few years as we always take for granted that tomorrow will give us another opportunity. Thanks for all the great memories and the lives you touched while here on earth with us. I'm sure I can speak for ALL of our Home Depot friends, you will be greatly missed. Prayers for Harrison, Addy, Autumn and the rest of your family....Gone too soon, R.I.P. my friend! From Steve Dawson and your Home Depot Crew!

“ *Steve and I have known each other since elementary school; however, we were special friends for the last 2 1/2 years. We usually spoke 2 or 3 times a day. We shared some of our deepest thoughts and feelings. I'm so thankful for the extra time we spent over the last couple of weeks. I'm thankful for the songs he sent me and the laughter we shared. You just never know what tomorrow holds.*

“ We are so sorry to hear about Steve's passing. He will be missed. We have many fond memories of our family Thanksgiving celebrations with Steve, Autumn, Harrison and Addie. They would stay with us before and after Thanksgiving. One of the most memorable was picking them up from the San Diego Airport (Harrison was a toddler and Addie was a baby). We took them to an off track betting site to watch our horse, Rhianna race and finish 2nd. We told them that, since they brought us good luck, they would need to go to all of her races. Many, many great other memories.

I am so sorry to hear of Steve's passing. I met Steve in Jr High. There were 4 of us that would "walk the halls". I am so happy that I got to spend some time with him at our High School reunion a couple of years ago. I have thought of you through the years.
