“ I was President of Pi Kappa Alpha in 1985-1986 and at our Formal in Atlanta at the downtown Hilton was proud to announce Cay as one of our new Little Sisters and was able to give her the ceremonial Pike jersey and hug and congratulate her. Cay had a smile on her face 24/7 and when I heard this sad news that was the first thing I thought of. I hadn't seen Cay since college, and I don't know her family at all. But I can tell you guys that Cay was a great Little Sis for PKA, she wore her jersey with pride, and I was honored to have her on our side on campus. I hope you all can be comforted to know that so, so, many people loved her and held her in utmost esteem.

On behalf of the Brothers past and present of the Eta Sigma chapter of the Pi Kappa Alpha Fraternity, God Bless you and your precious memories of Cay.

“ He first time I met Cay was at a low country boil for Blake and Cays engagement party. I have to say she was a class act and always seemed so caring about what I had to say and never rude or distracted while I was talking to her. She genuinely listened and had such a sweet smile. We will miss her dearly but will always carry a memory in our hearts forever. Daniel family, you know we love you with all of our hearts

“ I was a sorority sister of Cay’s at West Georgia. I cannot think of a time where I didn’t see Cay smiling or laughing. She was always a ray of sunshine. She was a very classy lady and represented Phi Mu well and was the epitome of a Phi Mu faithful sister. You all are in my thoughts and prayers. I am thankful that God placed her in my life and will always remember our time together.

Hi Denise! Thank you for sharing such a thoughtful post. I am Cay’s daughter and now I am a member of Phi Mu at West Georgia well. She loved her times there with all of y’all! 💕 Love in Our Bond, Catherine Daniel

Cay touched so many with her infectious smile and laugh. She truly embraced “Love in our bond”... A true lady with such a sense of grace and style. She was uniquely herself at all times. My prayers are with her children, her family, and all of us who will forever hold her dear to us in our hearts. I am blessed to have known her at WGC and Phi Mu.

“ I was a Phi Mu sister of Cay's at West Georgia. I think most of us will agree that Cay was our "ideal" of a Phi Mu girl! She was so put together, the definition of the word "classy" and carried herself with grace and dignity. But underneath that reserved, dignified exterior was a fun-loving, adventurous, spontaneous, witty treasure of a friend & companion. Cay Creel stories abound, all told with a smile recalling some of our fondest memories of the very best college years (and often after!) Although I am said to say Cay and I did not keep in touch, my world is sadder without her in it. I will "keep forever sacred the memory of this one I have loved and lost". Prayers for your family.
