“ Susan was my beloved Sister-in-law, the wife of my brother, Edward. I strongly agree with all of the other messages of condolence written previously, adding only that I regret not knowing her more closely. She was truly an outstanding Christian, and I am so glad that she was such a wonderful wife for my brother Edward. I am looking forward to seeing her, Edward and their daughter Ann again in heaven. Also, I am deeply grateful for the love and support of their friends.

“ I met Susan when we took a stained glass class together. She asked me if I had room for another friend and I did. We had many good times together for years, going to lunch, going to oil paint classes, working on her computer, etc. She was a very good friend and will be greatly missed by me. - Linda Mitchell

“ Susan was always an inspiration to me, reaching out to others with her compassion and warm smile when struggling with so many issues herself, both physically and emotionally - especially the loss of her daughter. She was one of a kind and will be sorely missed but now know she is with Ann and others - Prayers for her family

“ Susan was such a special lady. When you were with her she always made you feel like you were the most important person in the world. She always wanted to know all about you and your family. We are so sorry she had to suffer so much, but surely the Lord is blessing her mightily now. Our sincere condolences to Ed for his great loss.

“ I worked with Susan at Rockdale Hospital for several years. She was one of the sweetest, kindest people I've ever met...and so funny! She had a great sense of humor! May the Lord wrap his arms around her family and bring them peace during this difficult time.
