Thelma was a sweet dear lady . She was always thoughtful in giving . She loved her 8:30 AM on Saturday morning ,hair appointments . She would get her caretakers to go by Dunking Donuts and bring us girls donuts EVERY Saturday! We always looked forward to seeing her come & of course ,those fatten donuts . We would tell her not to bring them , but as We All Know , Miss Thelma was the one you Did Not tell NO to ! (Lol)we really loved her . She was a dedicated customer , She was always there in the parking lot , waiting on us to get her hair done . I want to thank her family & caretakers for always bringing her . She was greatly missed by all of us when the time came , that she wasn't able to come any more. But believe me , she had to get where she couldn't come for her to stop . Thelma, we loved her & her family . May God bless you all .
