*I first met Tom around 1975 when we both were living in Lakewood, California at the now long gone Winchells donut shop. Tom and I rode many miles throughout California together. Unfortunately my life choices took me in a different direction and I lost contact with Tom. He was a good man and I appreciate everything he did for me. And Tom if you're looking down on me, after 54 years I'm still riding motorcycles and Sunday I'll get my Harleydavidson out and go for a ride in your honor. Rest in peace Tom, your old riding buddy Steve Rollins 🙏.*

“ Tommy and I shared many meals at various meetings over many years and the same church. He was always "picking" at me about something! We enjoyed talking about motorcycles! Rest peacefully Tommy!!! ❤️

“ As a child we would spend every Thanksgiving and Christmas Eve at Uncle Tom’s house. Those nights would be loud, long and full of love. Tom was a road warrior, he loved driving - big rigs on the open highway, trash trucks through the early morning streets of Los Angeles or wherever the winds would take him and his Harley. He’s now on his final journey to join his mother, sister and son Kevin. Godspeed good sir... I hope heaven is filled with the roar of Harleys.

“ We last saw Tom just a few weeks ago when he stopped in to the shop to say hello. His infectious smile and hilarious stories will be missed. There's a bar and shield hanging on the wall that he gave to us as a token of good fortune. Wishing the same for his gentle and generous soul. Rest in Peace Sweet Tom.

“ Tom was a friend to all. For several years, my grandson (Bobby) would stop in the FBCC Sanctuary on Sunday morning, and they would discuss their knowledge of computers. Tom bought himself a new iPad Tablet and gave Bobby his old one, which was still in great shape. Bobby still have it, and it is still operational. He said he will always keep it.  
Our Prayers are with you, Joe, Pat and Daniel.
