“ *Been privileged to know Tom since he was a teenager when we were youth ministers at Westside Christian Church in East Pt. in the mid to late 1970's. Tom brought uncontained happiness and smiles to every thing we did. I cannot say enough good things about the man he went onto become A balance of intelligence and unconditional love, a true servant (worked on more than one live nativity scene at Westside-what a hoot) God definitely used this patient and loving guy everyday of his life here with us! So sorry for Pam and Cheryl's loss and for the church at McDonough-heaven's gain.*

“ *I'm deeply sorry for your loss. I hope the words found in the bible at Isaiah 25:8 brings comfort. God promises to "swallow up death forever". No more will we have to suffer heartache for God says he will "wipe away the tears from all faces". Such a joyous time it will be; reunited with our dead loved ones.*

“ Tom was one of those people that would help any one in need. When my family and I moved to GEorgia, he was one of the first persons to help us. He and Pam came to our apartment and helped us set up our beds, and other things that needed to be done. He was always there for us; not only as a friend but as an example of what a good Christian looks like.

Tom will be greatly missed by everyone at Due West Animal Clinic. He fit right in to our "disfunctional family" and it was always great to see him. His creative repairs on some of our well used equipment were a marvel. His dedication to his job and our clinic was outstanding.

“ It was an honor and pleasure to have worked with Tom. Tom and I have worked together a lot over the past few years. When he first started with Patterson, we were working together five days a week. In that time riding and working with him, I got to know him well. He was not only a co-worker, he became a friend. He will be missed greatly.

Tom was a real pleasure to work with and had a great sense of humor. I'll never forget the work trip we had to take together to Wisconsin and the laughs we shared over the funny pictures I took of him sleeping on the plane. :) Tom was always very kind hearted and giving to others. He worked hard to get along in this imperfect world of ours. He was one of those people that you could easily take for granted because he was always there and "just handled it". Tom will be sorely missed from our Patterson service team. My condolences to his wife Pam and to all his family and other friends. Rest in peace Tom. <3

“ I worked with Tom at Patterson Veterinary. We were in different states but got to see him when we all got together for training. He was a pleasure to be around and I enjoyed chatting with him in the mornings about his cabin and gun collection hobby. He was always smiling and in a great mood. All of his clinics and all of us service technicians will miss him.

“ Tom Patterson was a gentle giant. He was one of the most compassionate and kind people I have ever known, but he was also a true giant in his faith and in the talents he used to help people and glorify God. I am grateful for a season in his path and am a better person for it.

Tom was always there to help no matter the ask. He was a great asset for me at work and to many veterinary clinics around Georgia. He was always there to do the job with a smile. He will be greatly missed by the veterinary industry. I'm proud to hear of his faith and know that he is in a better place smiling down on all of us. We will miss you Tom!
