“ I'm deeply sorry for your loss. I hope the words found in the bible at Isaiah 25:8 brings comfort. God promises to "swallow up death forever". No more will we have to suffer heartache for God says he will "wipe away the tears from all faces". Such a joyous time it will be; reunited with our dead loved ones!

“ So sad to hear of Tina's passing. We were childhood friends and I will never forget her and all the wonderful times we spent together. She was very dear to me and I was thrilled to have found her again after all of those years. What a wonderful, beautiful soul she was. She will be dearly missed. Praying for you all.

“ *I have many fond memories living down the street from Tina and her family. When we moved to Conyers a little over 15 years ago from Pittsburgh we were blessed to move into Tina's neighborhood on Eden Glen Dr. She was so fun, helpful and always there for me. Many fond memories living there and she was always ready to have fun. May she rest in peace and hope that her family embraces her spirit to live life to the fullest. You all are in our thoughts and prayers.*

“ *It has been way too long since I connected with Tina. I was fortunate enough to live in her family's household not long after we graduated from high school. She showed me kindness and friendship at a time that I needed it most. I am so sorry we did not keep in touch over the years. My heart and prayers go out to her family during this difficult time.*

“ *Tina and I hit it off immediately the moment we met. She was always laughing and joking and made me forget all my own problems. She possessed a talent to design and decorate any event, any room, any tree, any anything like a professional decorator. I envied her many talents. She had a connection with God and would help me understand why things happen according to HIS PLAN. She was an AMAZING mother who loved the men yall have turned into. We rode motorcycles, walked on the beach, had long talks, cried together, laughed so hard, ate dinners, watched The Bachelor on Monday's, and did so many other things together. She was my Shining Star. My hero. My friend. I will never ever forget her and the impact she had on me personally. She will certainly be missed but never ever forgotten. XOXO, God speed Tinkerbell!! I love you still. Theresa*

“ To Wes, Adam, and Chase: I remember your mother so well. She was the prettiest person with the biggest laugh and the most open heart I have ever known. When you all were much younger and playing soccer at RYSA, those were some of the best days of my life. (Chase, you were always in a tree somewhere, and Wes and Adam were always on the field playing soccer.) Your mom 'hosted' my 40th birthday party at your house. The moms of the Wrecking Crew soccer team came, we drank margaritas by the pool, and ate salsa and chips. We laughed the entire night. Your mom was so generous. I will miss her and I know she fought the good fight. She never ever ran away from a problem. She will be able to look over you now from a place where she is always well and there is peace. She loved you boys with all of her heart. I am glad that she was able to be a grandmom to your beautiful children. Take care and live your lives. She would not want you to give up for anything. She is the perfect example of living life to the fullest. I send you my most sincere and heartfelt condolences. We have lost a beautiful woman but Heaven has gained an angel. God bless.
