“ *We were truly blessed to call Tommy our friend. He would do anything for you, at any time. There's not many people you can say that about, these days. He always had a smile on his face & a joke on the tip of his tongue, when ever we saw him. We shared a lot of great and fun times together...cherish memories now to hold on to. Tuesday must have been a sad day in heaven and God needed a special angel to cheer heaven up...Tommy could always do that. We will miss our dear friend...so, until we meet again, goodnight ole friend.*

Our thoughts and prayers are with his family and love ones.

Love always,

Bear and Pat

“ *Sorry to hear of the loss of Tommy. Growing up Tommy, Betty Jean, and Tina was like a second family. My family would always go to their house on numerous weekends or they would come to ours. I looked forward to a day there because I enjoyed riding in his dunbuggy. Great times and memories. To Betty Jean, Tina, and the entire Harris family, my thoughts and prayers are with you in the difficult time.*

“ To the family of Tommy, my deepest sympathy to all of you. Tommy was a great guy and I could tell you many stories about him that you would enjoy hearing. He was fun loving and I always enjoyed his friendship. It is sad to loose connection over the years, but that is part of life. He will be greatly missed by many.
