“ I lost a very dear friend when Tonnie passed away, We worked together for approximately 23 years and became very close, She was a kind compassionate person that everyone respected, She loved the Lord and it showed in her daily life. I loved her dearly and plan to see her again. She loved her children and grandchildren so much. Rest In Peace my friend❤️

“ You are the best mama and grams any of us could have ever asked for. We didn't deserve a soul as sweet as yours but God let us have you for a little while. Thank you for teaching me thank you for putting up with me, most of all thank you for loving me. I'll never stop wanting to see you and talk to you, but I'll be ok until the day I can do that again, because you made me strong

I met Tonnie thru Bootsie and Johnny years ago. My impression then was that she was sweet spirited. Condolences to the family.
