

Tyler Eugene Pursell

June 2, 1984 - July 13, 2022

It is with great sadness we announce that Tyler Eugene Pursell, age 38 of Stockbridge, GA., passed away on Wednesday, July 13, 2022.

Tyler was a beloved son, brother, and friend. He will be greatly missed and remembered for his love of art, music, travel, outdoors, mechanics, history, and the many other gifts he shared with the world.

Before graduating from Georgia College and State University with a B.A. in Art, he wrote an illustrated booklet called "What's it Worth" about American finance. He also enrolled for study abroad in Greece, which was an experience he treasured and referenced often.

Tyler had a dream to live and work on the road, and in 2021, he made it reality. He began his cross-country travel in a van he engineered to be his home. For months, he reported back his learnings, struggles, and successes as he explored. It was clear that during this time, he was living the life he had carefully prepared for and was happier than ever.

We will honor Tyler in a celebration of life service on Sunday, August 21, 2022 at 1 PM. Service to be held at Scot Ward Chapel, 699 American Legion Rd., Conyers, GA, 770-483-7216.

Following the service please join us for refreshments from 2:30 PM to 5:30 PM at the Georgia International Horse Park, Tack Room. You are welcome to explore the trails in the area that Tyler loved to hike.

In lieu of flowers, donations can be made to "Little Kids Rock" <https://www.littlekidsrock.org/> or "Atlanta Music Project" <https://www.atlantamusicproject.org/>

The Tyler I remember was friendly, funny and smart. And so much more. He brightened the lives of all that knew him, and he was a special light himself. Love and sympathy to his Family.

Incredibly creative, intelligent and thoughtful... funny and energetic... sweet Tyler. I'll always remember his bouncy little self as a little boy playing with my girls and telling me he would be an artist when he grew up. And that he was. I loved him a lot. And I love his family. Prayers, love, and strength to all of them.
