“ I have many treasured memories of Aunt Dianne. She was such a kind and wonderful person. One of my favorite memories is when I was young, Dianne would read the book " Where the wild things are" to me every time I would spend the night at their house. She was so very animated while reading. She would bring the stories to life. Then later I got to enjoy her reading "Little Bunny Foo Foo" to my daughters.

Another fond memory is all of the wonderful Thanksgiving dinners that we shared at her house. Then of course she made THE BEST strawberry cake in the world!!!!

*Dianne was one of the best people I've ever known. She was a sweet friend, and I have so many good memories of fun times Johnny and I had with her and Bobby. She liked to cut up and she had a great laugh. I can still hear it in my mind. I know she's in heaven, laughing with Jesus right now. Love you Dianne.*

*I worked with Dianne in the Quality Control department at Sweetheart Plastics many years ago. She was one of the sweetest people I had the pleasure to work with and showed everyone that she cared for people in a truly gentle way. May she enjoy the heavenly grace of eternal peace.
