“ Dad, you have always been our “Superman” and protected us. You have always been there for us, and took care of us and mom. You and mom are reunited in heaven now and watching over us. We will always remember the things you taught us, your positivity, and strength. You always told us to “think positive and be strong”. I love you dad and will always miss you.

*Love your daughter, Rita.*

*My Dad was Superman a very strong person inside and out. I devoted husband and father he love his family more then anything. As his son I did my best to follow in his footsteps and always wanted to make my Dad and Mom proud of me. It's very difficult not having my Dad with me physically but I know him and Mom are looking over me and my sister in heaven. I love both of my parents very very much. Dad I'm going to miss you so much more then you can imagine but I'm at peace with God knowing you will feel no more pain.  
Love you always your Son, Jay.*
