“ I miss you so much. I'm so struggling life without you. We talked everyday about everything and nothing. I remember being on the phone for over an hour and we would say oh I've got to get something done around this house, I've got to go and we would talk another 5 or 10 minutes. You were an amazing sister and it's so hard to be here with out you. I go to bed thinking about you and wake up thinking about you. Im just not handling this to good. I miss you my sweet sister and life will never be the same. I love you to the bottom of my heart. ❤️🌹💔
