PS

*I knew your Mom at Conyers Middle School. I was involved with PTA and met her then. She would come volunteer at the book fair and if I'm not mistaken, she did not have any children there then. She just enjoyed helping at the school. She was such a sweet lady and I know she helped with clogging. I remember her girls and loved to watch them dance.*

*I pray God will wrap his arms around you all at this time. It's not easy to let Mom go. I've done it and I still miss her every day. God bless you all,*
