“*Warrene and I worked together at Child Support Enforcement. With her caring and comforting demeanor, she was a beloved member of our team. She was able to take the sting out of a stressful day doing whatever was needed without complaint. And then she would often change into one of her fabulous outfits and go out square dancing with her club. Surely she will be dancing with the angels now having earned her much-deserved rest and honor. Truly she was a blessing to all who knew her.*”

“*I remember Warrene well as she was a classmate and friend of mine from Murphy High School, Atlanta, class of 1961. We saw each other on occasion over the years and she was a very special person. I am sad at her passing and send my heartfelt sympathy to her brother, James, and his family and loved ones of Warrene. She will be missed by all who knew her. Sincerely, Barbara Jackson.*”
