“ Dear Betty and Family,  
I was so sorry to hear of Kenneth's passing. You all are a very important part of some of my precious childhood memories. I'll always remember and treasure our visits, trips, crazy excursions, and the wonderful laughter. I can't forget those roadside picnics and, of course, an occasional bear! My thoughts and prayers are with you all during this sad time. Time and busy lives separate us, but the bond of family always remains. Kenneth was very special to me.

Much love,  
Donna Ann

“ Betty, we were so sorry to hear that message on the machine. Doug has been really sick for the last several days. We spent yesterday at the hospital having tests done. He's better today, and he really wishes he could go up there. He's just not able right now. Our thoughts and prayers are with you and the family. We always enjoyed seeing you both at the class reunions. It wasn't the same without ya'll last year. We love you, Doug and Jo Gay
