“ Lots of great memories of you and Bill. He was the reason we stayed with Monte Sano/Grace. We had decided to find another church home when the then current pastor retired, but once we met Bill, there was no way we were leaving. Bill helped us through a lot, some happy times, many sad times, but he was always there for us.

“ This morning as I was praying for all of you, I was reminded of the hymn "Blest Be The Tie That Binds." Tears flooded my eyes. I'm so very sorry for your loss. But also very grateful for the significant impact Mr. Frisbee made for the LORD during his "dash" time on this earth. With love and deepest sympathy, Randy and Christine Bennett Johns

“ *Bill Frisbee...you will always be the epitome of larger than life to our family and while in your humble, modest mode you would refute this attribute, that is just the very depth of how much we admired, loved and respected you.*

We know in our hearts that Jesus was your Guiding Light and you were never afraid to share His love with all those around you.

You inspired, led by example, loved unabashedly and were quick to bring laughter to our eyes and a welcome spirit among all of us who gathered at your home.

Heaven has gained an Angel that was borrowed only to Earth for our benefit and His Glory! We will miss you deeply yet will look forward to the day when we again hear that booming, infectious laugh of yours and the voice that will echo Jesus' own words: Welcome Home!

Much love to Margaret, Cindy, Beth and Ed and families as they travel this new path.

“ God blessed Monte Sano/Grace Presbyterian Church when Bill answered the call to be our Pastor. There are so many wonderful memories of Bill and my family. My children were saved under his ministry; he married Dennis and Nan, my son and daughter-in-law, and buried my mother and father. He was always there for us at any time we needed him. It broke my heart when he and Margaret left but God had another ministry for them. Margaret, please know that I love you and your family and am praying for peace and comfort during this difficult time.

“ Thoughts, prayers, and big hugs from Geary and Ronda Williams. Mr. Frisbee was so special to us! We will always remember his wonderful singing at Vacation Bible School. The song about Noah's Ark is literally a favorite childhood memory for both of us! We appreciate and love our early church memories. We both "joined the church" with Mr. Frisbee as our pastor. He ministered to both of our families for many years and we are forever grateful. Love to you all!
