“ Thirty (30) years ago I hired a "kid" during his summer vacation of his 11th and 12th grade grade years of high school. After he graduated, he worked for me full time until I retired 15 yrs ago. I watched this "kid" turn into a MAN. Chuck was one of the best men I had the honor of knowing and helping him grow into that man. After I retired my entire family could count on Chuck to be there for ANYTHING that we needed help with. Chuck was part of our family. He was like a son to me. He would call every week to let me know what days he was available in case we needed anything done. From rebuilding rental houses, cutting grass, cutting down trees, splitting firewood, digging trenches, etc, etc. He was there with that same smile or smirk on his face and ALWAYS in a good mood. Chuck was something special and a true friend to me and since his life was cut too short and was unable to tell him this, I can only hope that he knew how I felt in the years that he was there for me. We cannot imagine life without him because our lives will never be the same without our friend, family member and my "son". As much as we are hurting as a family, we cannot imagine the hurt and grief that his family is going through. Our love, thoughts and prayers will always be with his family. Chuck adored and made sure that his mommy was always taken care of and loved.

“ I have lived across from chuck for 10 years. He was a great guy. Always willing to lend a hand or talk you through anything. My family is going to miss him dearly. Weather it was him waving when he passed the house or blowing that crazy horn on his truck or cutting the neighbors grass. I could gone on and on. Man I can't believe you are gone. Rest easy brother. “ You were such an amazing and funny person on the inside out!!! Thinking about how going to work without you there is going to be so different and hard to adjust to! We've worked on the same shift for years now and developed our own friendship, Our hearts are hurting... I had been out of work for the last 2 months and the only thing that crosses my mind is if I had went back a week earlier! At least I would have gotten to see your smile one last time! I'm going to miss you coming around the corner to my station with a smirk on your face like your were up to something!!! You're forever in our hearts!!! RIP Chuck, Your friend Takea❤️💔❤️

“ Seeing this young man born, watching him learn to walk, learning to talk. Watching him grow up and when his voice turned in from a boy into a man. Chuck always had that warmth about him. I remember one Christmas at his grandmother's house he came to the door with his cowboy boots on and his trenchcoat and his cowboy hat he was such a proud man. Chuck was so much like his father he was always willing to help. I have nothing but good memories of this young man I hate to see him go. Hold your head high Chuck for your next journey rest lightly.

“ My heart is broken. My cousin Chuck was my go to for anything I needed around house, he and jesse were fishing and hunting buddies. I'm going to miss him coming over so much. He always made me laugh, and always had some funny stories. He loved his family and would always try to help anyone that needed help with anything. Rest easy Chuck with Uncle Charles and we will see you soon.

God comfort My aunt Jenny and our family, his friends, his girlfriend Pati, and his co-workers hearts, because he will be oh so missed.....

“ I sure will miss seeing my cousin Chuck around the house and watching that big red truck pull up. He absolutely could fix ANYTHING. A true handy man at heart and such a hard worker. He rode his Taz and Tweety around for his love, Patty. Made me smile, they sure loved each other!!!

My heart is broken but I do know he is watching over his girl, his family, and friends. I am certain I will be able to hug him again one day. Love you always Chuck!!

“ At family events growing up over the years I could always poke uncle Chuck's belly and he would make a "woo hoo" similar to the Pillsbury dough boy. It was always a really fun thing to do, it would make him laugh and smile.

“ Knowing Chuck and being around him was an adventure. I thoroughly enjoyed our chapter of my life. He lived on his own terms and wide open. He loved his daughter his momma his motorcycle, the lemans and his fish. That backyard is as beautiful as a park. We spent many a day fishing but he loved to work. God rest is rebel shirt wearing, mullet hair do soul.
