“ Charlene & Family, I am so sorry for your loss. Carlton considered Dan a true friend and I fondly remember hearing the two of them banteringly talking about their life at Delta. Brenda Waldrop

“ I'll miss the shared birthdays as we were only a day apart. He was born the 21st and me the day after. Though I will cherish the many wonderful birthday memories because we shared each one together as I grew up from a kid to the young woman I am today. I love you grandpa!
