“ *Well Debbie, this world is in a mess. Virus everywhere. And losing "the old fart!" Wow! Things are a changing. I really enjoyed my weekly visit. Always something up his sleeve as he was the only person I knew that avoided the internet, and he always had something he wanted me to find on my "thing a ma jiggy!" Many times he told me that wasn't a phone. I can hear him as he says "A phone you dial 10 numbers and talk to somebody!" That's my Billy. Debbie, I know we truly miss the old fart, and I just wonder what that have him doing in heaven. Love ya Debbie!*
