“ I've know Paul since our days in high school at Clarkston. He was a wonderful person and my prayers go out for his family and friends as they learn to live with the void left by his passing. May God watch over you and keep you in the palm of his hands.

“ I would like to express my deepest condolences to the family and friends for the loss of your dear loved . The death of a loved one brings pain and sorrow. I hope you find comfort in God's words at (Psalms 34:18) "Jehovah is close to the brokenhearted. He saves those who are crushed in spirit " And Acts 24: 15 assures us of God's love in times of sorrow.

“ So saddened by the loss of Paul, he was an amazing man and a amazing role model. I remember the days when he managed super value. I was dating Randy, my husband, at the time and would visit the store each evening. Paul would play with my son, Michael, in the back room. My son was 3-4 years old at the time. Such a sweet memory. Debbie, your entire family is in my prayers. Please do not hesitate to contact us if we can be any support to you or your family.
