“ *I'm deeply sorry for your loss. I hope the words found in the bible at Isaiah 25:8 brings comfort. God promises to "swallow up death forever". No more will we have to suffer such heartache for God says that he will "wipe away the tears from all faces". Such a joyous time it will be; reunited with our dead loved ones!*

“ *The Robinson Family...I just wanted to share with you my love for your parents. Bill and Mary have been a big part of my life since they move to Towne Pointe Apartments. Not only doing such wonderful things for the residents here but for my family as well. My boys grew up with your parents being like their grandparents. Mary would cook and have the boys over for lunch and dinner while I was working. They would keep the boys back when they lived next to the office. My boys loved when Bill would have a Yard Sale. He would save them items he knew they liked. Bill always ask and was concern about the well being of my mother and often visited her at the hospital and in Snellville at New London Nursing Home. I wanted you to know how much I will miss both of them being here to share my day to day experiences with. I am glad that Bill did not have to suffer long with his cancer and he recently told me that he was ready to go which made me feel better. I will continue to visit with Mary as much as I can. If there is anything that I can do for her, please let me know.*

*Sincerely,

“ *Mary, I remember Bill when he worked at the grocery store. Would love to see you. Maybe you can come to the class reunion sometime in the future. My love and sympathy, Jeanette Johnson Lackey, your former classmate at Conyers High.*

“ One of the best uncles anyone could have. Bill was a good man and told me recently he was tired of all the cancer & treatments and was ready to go because he knew where he was going. He missed his daughter Brenda, who passed away a short while ago. I will miss him but am happy for his graduation to heaven! Yvonne Day Barmore, 100 Riverstone Dr., Jasper, GA 30143
