“ I'm deeply sorry for your loss. I hope the words found in the bible at Isaiah 25:8 brings comfort. God promises to "swallow up death forever". No more will we have to suffer heartache for God says he will "wipe away the tears from all faces". Such a joyous time it will be; reunited with our dead loved ones!

“ *Billy was going to ask my future wife what her intentions were with me.....I only found out after my mother told me of the incident. Lol*

Always the protector and didnt want to see his older brother hurt.

I can imagine the seriousness in his voice and the look on his face when he asked her that. To him, that was what meant the most - taking care of family.

“ This is the type of person that describes Billy. A Protector. It was either when Tank and I were dating or had just been married (mid 80s), Tank and I were horsing around and Billy thought Tank was hurting me. Billy stepped in between us and shook his finger at Tank and said, "Nobody messes with my cousins, or they'll have to mess with me!". Billy meant it, too. Tank apologized and from then on they were 'family' and would always find something funny to laugh at. Billy you no longer have to be the protector, just be the best Angel God ever had!
