“ Norma, so very sorry to hear of Bill's passing. You and he were always so good to me in early days at MVB. Always encouraging and kind. I so enjoyed seeing the two of you at MVB visits, Bill made folks smile and feel good. Our Jill passed away in May this year of an aneurysm - she lived in Savannah. She is buried on side of mountain near our cabin at Blue Ridge, lovely where deer roam and soft breeze. I have been thinking about you a lot and will pray extra strength for you. God has us! Through all these past couple years with the covid scare, through our loved ones' illness, and their home going - now to learn to live each day without them. You and your family are much loved always. Wayne and Wendy Meers

“ *The Wells have always been such good friends and neighbors to our family. I remember Bill as a very kind and generous man, always friendly and always willing to offer help. Our street won't be as happy a place without him, but I take comfort in the hope that we will meet again in the resurrection, because he was a follower of Christ. We regret deeply that we can't be there for the service. It seems like we're missing the funeral of a close family member. But we're praying for comfort for Norma and the family.*

“ Bill was a wonderful precious close friend as we together grew up in Red Bank.

We had many great experiences together. Our two families had several extended

Fishing trips together in Sale Creek and Spring City. Went to University of Chattanooga

Football games together. Thankfully stayed in touch over the next 60 plus years and saw

Each other once a year at our high school reunion. Our prayers go up for Norma and the

Family in this time of their deep personal loss.
