“ So very sorry about Wilma’s passing. I was probably 13 or 14 when I first met Wilma. She was always gracious and kind when putting up with her young sister-in-law Julie and me, the BFF. I always enjoyed visiting with Wilma over the ensuing years when we were all together-Julie’s wedding, long weekends in the mountains in Georgia and at Martha Stephenson’s funeral. Wilma always treated me like family and I felt like family. I know she touched many lives and will be sorely missed. Jan Fuller

“ I met Wilma about 35 years ago when I moved across the street from her and became good friends with her. She was the best, kindest woman I knew. I moved to Chicago and we still kept in touch. I surprised her for her 80th birthday by flying to see her and got to spend some good time with her. I wished I could have been there for her, she was like a mother to me. I will miss her terribly. I love you Wilma. Thanks for having me in your family.

“ My deepest condolences to the family. Although I never met Wilma, I feel as if I knew her through my sister Darlene. She loved Wilma so much and always referred to her as her 2nd mom. I am so thankful that Wilma and Bill were in my sister's life and loved her as much as she loves them. I am praying for your family at this difficult time.

With love,
Laurie Lord
