“As Mr. Winston’s Simone caregiver, it was truly an honor to walk beside him in his journey. He was vibrant in spirit, charming in his ways, and always ready with a joke that could brighten even the quietest moment. There was never a dull day in his presence. His laughter, wisdom, and the stories he shared created memories that will forever remain close to my heart.

Though he is no longer with us, the joy he spread continues to live on through everyone who had the privilege of knowing him. I will always cherish the time we spent together and the lessons he taught without even knowing it. Mr. Winston was more than someone I cared for—he was a reminder of the beauty of kindness, humor, and resilience. His legacy will remain a blessing.
